## **Carroll County Board of Public Utilities Public Comments Policy for Board Meetings**

### **Policy:**

Customers of Carroll County Electric Department may speak and offer comments during a Carroll County Board of Public Utilities board meeting. To request to speak, a customer must call 731-986-8284 before 12:00pm the business day prior to the scheduled meeting. Customer name, service address, phone number, and the topic for public comment must be provided. The allotted time for public comment will be a maximum of twenty (20) minutes with each customer given a two (2) minute allotment of time or a time limit as determined by the board chair. Distribution of customer provided written material is also at the discretion of the board chair. The public comment period will occur before any business is conducted.
